## BARN OWLS

Mrs F.B used to work in forensics for the police!

Mrs Adcock is amazing at cross-stitch!

Mr James sometimes becomes Brutus, a Roman centurion, at Norwich Castle

Mrs Bradford can ballroom dance and make wigs - not at the same time though!

Some of the fantastic things we learn about in Barn Owls are; investigating the Ancient Egyptians, learning how to sew and make things with textiles, how to have conversations using British Sign Language, discovering how important forces are in Science and improving our health and fitness.

This is your class door!

Here are some pictures of your new class!

These will be your pegs
