## Parent Consultation Evening:

We are keen to provide an opportunity for you to speak to your child’s class teacher about how well your child has settled back into to school routines. We will be holding these conversations virtually, the date for this will be Wednesday 24<sup>th</sup> March. A letter will follow with more details. Thank you.

## Uniform:

We are keen to encourage pupils to get back into school routines, including wearing full uniform where possible. If you have any concerns about this, please just mention it to a member of staff, we do understand that children will have outgrown things!

Waterproofs would be especially handy alongside a change of outdoor shoes, every day.

**PE Kit** – pupils are asked to wear their PE kit on PE days. This should be a plain T-shirt (school or house team colours with no large graphics or patterns) and plain black shorts or jogging bottoms. Pupils can wear their school jumper with their kit in order to keep warm.

### **Governors:**

#### **YOUR SCHOOL NEEDS YOU! - ELECTION OF PARENT REPRESENTATIVE TO THE LOCAL GOVERNING BODY**

There is a place available for a Parent representative on the Local Governing Body. No special qualifications are required, just time to contribute, willingness to learn and an interest in education. A broad range of experiences from careers and/or personal interests can contribute to the overall skills of the Local Governing Body.

Local Governing Bodies are key to the governance structure of the Trust and have a vital role to play in making sure every child gets the best possible education. Successful candidates will join our Local Governing Body and work with the other Governors in the best interests of the school and Trust. This is your chance to be involved and make a difference.

The closing date for nominations is 14<sup>th</sup> April 2021. If there are more nominations than vacancies, an election will be held by secret ballot. If that is necessary, voting papers will be sent to all parents together with details of the ballot procedure.

If you are interested in the role, please contact the school office to learn more and request a nomination form.

**Thank you:**

We would like to say a big thank you to Morrisons, 121Computers, Earsham Hall and a local resident for all of their generosity and support over the lock down period. We have been lucky enough to receive food hampers for families, cooked meals and laptops/ ipads all kindly donated. Most of all we would like to thank all of the families of the school for their continued care and understanding throughout a very

difficult and unfamiliar time.

**A closing Prayer/Reflection:**

Dear Lord, in this time of Lent where we think about Jesus being tempted in the desert, help us to not be tempted. Give us the perseverance that we need to make the most of the opportunities that we are given. Amen.
