Year 1

During the Phonics Screening Check, children are asked to read (decode) 40 words. Most of these words are real words but some are pseudo-words. Pseudo-words are included to ensure that children are using their decoding skills and not just relying on their memory of words they've read before. The 2023 phonics screening check threshold mark is 32.

Year 2

In May, Year 2 pupils take the key stage 1 (KS1) national curriculum tests, also known as SATs. The Year 2 teacher uses the results of these tests, along with evidence they have seen in the classroom, to make a judgement about pupil progress and attainment. This overall picture is called a teacher assessment judgement.
